Office of the President,

Dated Shimoga, 29th October 1926.

Secretary to Government,

B a n g a l o r e .

Sir,

1398-26-1

I have the honor to state that the musafirkhana at Kudligere in the Shimoga Taluk is being rarely used by the Travellers owing to the Bus traffic and therefore the Taluk Board was considering the desirability of its closure. In the meantime, a communication was received from the Executive Engineer, Bhadra Anicut Range in his letter No: 23 dated 24th September 26 representing that owing to its situation close to the Bhadra Right Bank Channel alignment the musafirkhana is convenient camping place to the Public Works Department Officers on inspecti duty and that therefore the building may be handed over to the Bhadra Anicut Range Division, for being maintained in a suitable condition and made use of as a Combined Public Works Department Inspection Lodge and Sub Overseer's quarters.

2. The proposal of the Executive Engineer was sanctioned by the District Board at its meeting held on the 8th October 1926 A copy of the resolution passed on the subject is enclosed herein for information. I request that you will be so good as to obtain formal approval of Government to the resolution of the Board. Of course, when the building is no longer required by the Public Works Department, the possession will revert to the District Board.

I have the honor to be,
Sir,
Your most obedient servant,

Draft Sanctioning Order

For President,
District Board, Shimoga.

	The President- Dt Bd in his letter says that the building work reverts to the Dt Bd when Govt no longer require it. The Dt Bd do not seem to have considered the question of their right to claim it back when they require it for their use. For instance if the bus traffic is stopped and travellers feel the necessity for it. The transfer may perhaps be made subject to this condition also, after consulting the Ch Engineer (Ch Engr) 18/11
	The resolution of the Dt Bd may be approved.
